Shooters with less than 1,000 Singles in the current and previous year must shoot in “Class A” or higher, unless they shoot “Targets Only.” Shooters with less than 500 Doubles in the current and previous year must shoot in “Class A” or higher, unless they shoot “Targets Only.”

Shooters who have been classified for “Targets Only” cannot play purses or options and they are not eligible for trophies, titles or added money! Registered A.T.A. targets shot during Preliminary Events may be used to achieve the minimum target requirements, but the burden is on each shooter to report for recategorization.

4. You must declare your A.T.A. special category at the time that you are classified and verify your category each time you enter an event to ensure that you are included in the competition. Special categories are Lady, Sub-Junior (under 15 years), Junior (15 to 17 years), Veteran (65 to 69 years) and Senior Veteran (70 years and up)

5. To prevent unnecessary delays, please be at your proper starting trap ready to shoot when your squad is called. Squads cannot wait for absent shooters and must start without them. A shooter missing more than his or her first sub-event will be scratched and may re-enter through the cashier only. Shooters may make up one sub-event on the practice trap. A shooter cannot re-squad by just joining another squad on the line that has an open position. If the rules and procedures are unclear, please consult the Tournament Officials for assistance.

6. Ties in Preliminary Singles and Doubles events will carry over to the next like event. Ties in Handicap events may flip (if all shooters involved agree) or shoot-off. Each shooter will be called for a shoot-off three (3) times. If a shooter does not report for a shoot-off, he or she will forfeit the title and the award.

7. Shooters are limited to winning only one award per event. Any shooter who is tied for event Champion may shoot-off/carry-over for the Championship trophy. If a shooter fails in the championship trophy shoot-off/carry-over and has declared a special category at the time of classification, the shooter will fall back to the declared special category. Any shooter who has declared a special category at the time of classification and whose score qualifies for any trophy in his/her declared category, will compete for the category trophy and not for place, class or yardage group. Any special category shooter whose score does not qualify for a trophy in his/her category, may compete for place, class or yardage group trophies. Upon completion of the event, please collect awards and be photographed for the Trap and Field magazine article.

8. In addition to the entry fee, all shooters must pay the daily A.T.A. ($3.00) and F.T.A. ($3.00) fees. A Florida Hall of Fame Fce ($5.00) will be collected from all shooters when they enter the Spring Handicap Championship Event. Only U.S. currency will be accepted. Entry fees are non-refundable unless an event is canceled by the Host Club Management. Entries will close when the last squad takes the line.

9. Options and purses are not compulsory and may be played at the time of entry only. Changes or cancellations will not be allowed after an entry has been paid. Pay-off sheets will be posted for all events by the Host Club’s computer operators who will not be responsible for errors in scores after pay-off sheets have been posted. Please check your scores!

10. All Lewis Purses will be divided one class each nine (9) entries, or major portion thereof, with three (3) classes maximum and will be paid 60/40 percentage system (ties will divide). All percentage purses will be paid 50/30/20 percentage system (ties will divide). All class purses will be paid 60/40 percentage system and each class will shoot for its own money (ties will divide). All handicap yardage group purses will be paid 60/40 percentage system and each handicap yardage group (18-21, 22-24, 25-27) will shoot for its own money. The Florida Option is a Ten Way Purse with $1.00 charged for each 100 (1), each 75 (2), each 50 (3) and each 25 (4) and will be paid one money per division (ties will divide). When less than five (5) shooters enter a purse or option, the purse or option will be eliminated and the money refunded.

11. Only regulation A.T.A. trap loads may be shot. Factory shells and reloads may be used; however, suspect shells will be subject to challenge by Tournament Officials and all violaters will be disqualified. Keep guns unloaded until on the line and it is safe to shoot. Test shots will not be permitted on the program trap fields. Please do not pick up empty hulls.

12. Shooters breaking 100 straight or 200 straight without carry over will be awarded a Florida 100 straight or 200 straight pin by the Florida A.T.A. delegate or F.T.A.Secretary.

13. The Host Club and Tournament Officials reserve the right to change the Official Program for this tournament. The Host Club reserves the right to reject, refund or disqualify anyone who interferes with the harmony, conduct or sportsmanship of the tournament.

14. The Spring Gun Club Team Race will run concurrently during the Spring Singles Championships. Only Florida residents may enter and must provide proof of membership for the F.T.A. gun club for which he or she will be shooting. F.T.A. gun clubs may enter as many teams as desired, but each member is limited to only one team. The team posting the highest total score (200 targets plus advantage points, per team member) will receive individual awards. Each team may be composed of any class shooter. All teams must be entered prior to the event through the F.T.A. secretary who will provide entry forms for all team races.
