## Tournament Rules

1. A.T.A. rules will govern this tournament and all scores will be included in the official A.T.A. records. By entering these events, all shooters agree to accept official decision and abide by the rules. Violation of A.T.A. SAFETY RULES may be cause for disqualification and removal from the grounds.
2. All shooters must provide paid **A.T.A. average card** with all scores posted and averaged prior to being classified. Previous and current averages plus “known ability” will determine A.T.A. classification as follows:

### **A.T.A. Five Class System**

<u>Class</u>	<u>Singles</u>	<u>Doubles</u>
AA	97% and up	93% and up
A	94% and under 97%	89% and under 93%
B	91% and under 94%	85% and under 89%
C	88% and under 91%	78% and under 85%
D	Under 88%	Under 78%

**SR VET - NO PENALTY:** \*Senior Veteran shooters (a shooter who is 70 or older) are NOT penalized per ATA Rules.

**SINGLES PENALTY\*:** Shooters with less than 1,000 Singles in the current and previous year must shoot in “*Class A*” or higher, unless they shoot “*Targets Only.*”

**DOUBLES PENALTY\*:** Shooters with less than 500 Doubles in the current and previous year must shoot in “*Class A*” or higher, unless they shoot “*Targets Only.*”

**HANDICAP PENALTY\*:** Shooters with less than 1,000 Handicap targets in the current and previous year must shoot on the “*Twenty-three Yard Line*” or higher, unless they shoot “*Targets Only.*”

**TARGETS ONLY:** Shooters who have been classified for “*Targets Only*” cannot play purses or options and they are not eligible for trophies, titles or added money!

3. **Target requirement must be met before the starting event on Friday, March 12, 2021.** Registered A.T.A. targets shot before the target requirement date may be used to achieve the minimum target requirements, but the burden is on each shooter to report for reclassification.

## Tournament Rules

4. Please declare your **AT.A. special category** at the time you are classified and verify your category which appears on the top of your receipt each time you enter an event to ensure that you are included in the competition. Special categories are:

**Juniors** (SubJrs, Jrs or Jr Golds who have not reached their 23rd birthday)

**Lady I** (a Female shooter who has not reached her 55th birthday)

**Lady II** (a Female shooter who has reached her 55th birthday)

**Sub-Veterans** (shooters who are 55 but have not reached their 65th birthday)

**Veterans** (shooters who are 65 but have not reached their 70th birthday)

**\*Sr. Veterans** (shooters who are 70 or older); no minimum target penalty

5. To prevent unnecessary delays, please be at your proper starting trap ready to shoot when your squad is called. Squads cannot wait for absent shooters and must start without them. A shooter missing more than his or her first sub-event will be scratched and may re-enter through the cashier only. Shooters may **make up one sub-event** on the practice trap. A shooter cannot re-squad by just joining another squad on the line that has an open position. If the rules and procedures are unclear, please consult the Tournament Officials for assistance
6. Ties in Preliminary Singles and Doubles events will carry over to the next like event. Ties in Handicap events may flip (if all shooters involved agree) or shoot-off. Each shooter will be called for a shoot-off three (3) times. If a shooter does not report for a shoot-off, he or she will forfeit the title and the award.

### Tournament Rules

7. Shooters are limited to winning only one award per event. Any shooter who is tied for event Champion may shoot-off/carry-over for the Championship trophy. If a shooter fails in the championship trophy shoot-off/carry-over and has declared a special category at the time of classification, the shooter will fall back to the declared special category. Any shooter who has declared a special category at the time of classification and whose score qualifies for any trophy in his/her declared category, will compete for the category trophy and not for place, class or yardage group. Any special category shooter whose score does not qualify for a trophy in his/her category, may compete for place, class or yardage group trophies. Upon completion of the event, please collect awards and be photographed for the *Trap and Field* magazine article.
8. In addition to the entry fee, all shooters must pay the daily A.T.A. (\$3.00) and F.T.A. (\$3.00) fees. Only U.S. currency will be accepted. Entry fees are non-refundable unless an event is canceled by the Host Club Management. Entries will close when the last squad takes the line.
9. Options and purses are **not compulsory** and may be played at the time of entry only. Changes or cancellations will not be allowed after an entry has been paid. Pay-off sheets will be posted for all events by the Host Club's computer operators who will not be responsible for errors in scores after pay-off sheets have been posted. **Please check your scores!**
10. When less than 10 shooters enter a purse or option, the purse or option will be eliminated and the money refunded.
11. Only regulation A.T.A. trap loads may be shot. Factory shells and reloads may be used; however, suspect shells will be subject to challenge by Tournament Officials and all violaters will be disqualified. Keep **guns unloaded** until on the line and it is **safe to shoot**. Test shots will not be permitted on the program trap fields. Please do not pick up empty hulls.
